# GREETINGS

*To our many friends and customers.*

We wish to thank our customers for their past orders and their fine letters telling us of their success with our Gladiolus and Dahlia roots. All orders are filled with clean, healthy stock, and guaranteed to reach you in perfect condition. Please send your orders in early, as some of these varieties are limited. First come first served. On Gladiolus we will not substitute on varieties ordered, but if out of size wanted will fill your order with larger or smaller bulbs of same varieties, giving equal or better value. On Dahlias, all roots guaranteed true to name or replaced. We ship only roots with live eyes or sprouts. We have made our prices low enough so as to eliminate all confusing discounts. We add extras in proportion to your order. All our customers are more than pleased with our extra count.

**TERMS:** Cash or 25% with order and balance before shipment. At prices given all orders will be sent prepaid.  
**Inspector's Certificate** accompanies each shipment.
